The Nautilus - Jojoba oil enriched with sea algae and green tea is trickled onto skin from a natural shell vessel, in a signature path to external and internal harmony. A choice of deep tissue, Swedish, aromatherapy or sports massage targets personalized areas, as naturally heated lava shells delivers warmth and soothing stokes to maximize nutrient absorption for soft skin, refreshed muscles, and revived mindset.

Couple's Getaway - Enliven your time together even more with the ultimate couples massage, a choice of deep tissue, Swedish or aromatherapy. A mimosa champagne sugar scrub and oils conjure a far-flung getaway with scents of orange, grape seed, and pomegranate as skin is indulgently exfoliated and muscles rebalanced. The body treatment and massage are topped off with a glass of champagne to toast the happy and relaxed couple.

\$299 - 60 MIN

Six-Handed Spiral - Created for Nautilus, three therapists use a signature technique of strokes inspired by the "marvelous spiral" of the shell. Relaxation deepens from foot to head as a rich blend of honey, shea butter, and pure silk deliver an enduring softness to your own outer shell. A choice of deep tissue, Swedish or sport massage.

Facials

The Iridescent - Inspired by the jewel-like luminosity of the ocean's natural treasures. A foaming gel clarifies and protects skin with lavender, gentle coconut oil and abundant Aloe Vera that helps prevent immune suppression caused by UVB rays. The cherry on top?... An intoxication exfoliation mask of sweet cherry puree, Resveratrol, and wine extract from red Cabernet-Sauvignon grapes grown in France wards against skin discoloration, fine lines and wrinkles, while simultaneously detoxifying, purifying, and brightening overall appearance.

\$150 - 50 MIN

The Geisha - A cultured ritual towards flawless skin. A Sesame Rice Cleansing Oil delicately dissolves dirt, creating a clear canvas for a Ginger Wasabi Masque to detoxify and replenish. Crushed freshwater pearls brighten skin as activated charcoal deep-cleans pores and pure ginger stimulates circulation, while gentle conditioners of coconut milk and rice flour provide soothing hydration. A final performance of Shiitake & Green Tea Antioxidant Serum with authentic crushed freshwater pearls saturates the skin with potent antioxidants (a mainline defense against everyday toxins and environmental damage), temporarily tightening and lifting facial tissue for a lustrous look.

\$160 - 60 MIN

Manicures and Pedicures

Coco Colada - Tropical decadence at its finest. A deliciously scented Peruvian Cocoa Azul Sugar Scrub softens limbs with organic Dagoba chocolate.
